REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Rice Creek Elementary 21st year of teaching and learning has been focused on increasing faculty, student, and parent engagement, and developing and maintaining effective partnerships in order to maximize student learning.

Our faculty currently consists of 14 National Board Certified teachers. One hundred percent of our faculty and staff participated in professional development opportunities throughout the year to develop a deeper understanding of how to better meet the needs of our students in order to maximize their learning potential.

Our magnet program, eFIT (The Environmental Fitness Academy), continued to assist us in building partnerships with our community. As a Professional Development School, through a partnership with the University of South Carolina, Rice Creek had 9 student teachers.. Through our Department of Defense grant we hosted two Parent University evenings which allowed us to connect more with all of our stakeholders. It also allowed us to train a group of students, staff, and parents through the Child2Child and Parent2Parent Programs, in how to better support all new students and families to Rice Creek Elementary.

This year Rice Creek Faculty and Staff formulated shared Core Values and Beliefs, which allowed us to develop a new Vision and Mission, focused on Leadership and Academic Excellence.

Prior accomplishments for Rice Creek Elementary include being recognized as a Palmetto Silver School for General Performance, Palmetto Gold School for closing the achievement gap, National Blue Ribbon School of Excellence, National Blue Ribbon Special Emphasis Award Winner for Technology, Exemplary Writing Award Winner and Hall of Fame Member, two-time Red Carpet Award Winner, and a Flagship School of Promise. These awards and honors are directly related to the hard work and dedication of our students, parents, faculty, staff, and community members.

In conjunction with our SIC and PTO we implemented a new school uniform policy and continued developing deeper relations with our local community, through our mentoring and backpack programs.

School-wide service projects were sponsored for various needs such as: a Zumbathon and food drive in partnership with our PTO for Harvest Hope Food Bank, funds from our faculty in the Breast Cancer Awareness Walk, and funds from our faculty, staff, and students for the Vision Walk. Our PTO efforts and support allowed us to enhance the physical environment of our school with the construction of a shade structure for our Amphitheatre and funds to start with the installation of new playground equipment.

We are extremely proud of our accomplishments at Rice Creek Elementary and know that these are only possible through the support of our parents and community.
